BRIEF ABSTRACT OF LETTER.

Forwarding the estimates showing the probable expenses which may have to be incurred in the Sanitation of Camps

NOTES AND ORDERS.

have been met out of the grant placed at the disposal of the Reception Committee. The approx. expenditure that incurred both for Mysore Dasara amounts to Rs 2025/-. A comparison of the present estimate with that furnished in 1913 shows that neither dress to the Sanitary Inspectors & Sweepers or Non belt or badge to Municipal servants was given on that occasion. Besides, the item of Special Dust-bin is one to be met by the Municipality.

3) Regarding the estimate for Shimoga ~~Mysore~~ the information as to the expenditure incurred in 1913 is not readily traceable. As however, the amount asked for is small it may perhaps be sanctioned.

4) As regards Kolar no expenditure appears to have been incurred in 1913. Apparently there is no need for incurring any expenditure on the present occasion also.

6) Proc 24 Exec one file.

It seems to be unnecessary to give a large grant for sanitary arrangements in connection with the Viceregal Visit. The grant of Rs, 6000/- which is proposed to be given to the Deputy Commissioner, Mysore District, is chiefly for sanitary arrangement to be made by him at the camp. Rs.500/- may be given for sanitary arrangements at Shimoga and presumably at Jog also.

(Put out no additional grant seems necessary for the same)

No separate grant seems to be necessary in connection with the arrangements in the Mysore City, over and above the grant of Rs.33,000/- proposed to be sanctioned.

And it does not relate to the Mysore City proper as a separate grant has not been asked for by the Sany Com. It has therefore to be presumed that the "Special Sanitary arrangements" relate to the Kheddah Camp. Subd

Sanction with Government a special grant of Rs 500/- being related at the disposal of the Sanitary Commr for arranging an anti fog and [illegible] for rechannelling the Nirmala Vinir

Confidential

DIARY NO. 2224

Office of the Sanitary Commissioner with the Government of Mysore,

D.O. No. B 2611

Dated Bangalore, 1st August 1919.

Dear Sir,

With reference to your D.O. No. G.613-27 P.P. 19-7 dated the 9th July 1919, I note below the figures of probable expenditure that may have to be incurred in the Sanitary Department in connection with the ensuing visit of His Execllency the --- Viceroy to the State:--

| | | |
|---|---|---|
| Mysore City. | Rs. 8,500 | |
| Mysore District. | Rs. 6,500 | |
| Bangalore City. | --Nil-- | |
| Kolar District. | Rs. 500. | |
| Shimoga District. | Rs. 500. | Exclusive of fitting up a Myer's pump to the well. |
| Total. | Rs.16,000 | |

2. The lists forwarded herewith are explanatory of the items of expenditure and of the Sanitary arrangements proposed to be made, which briefly summarised will be:

(a) Disinfection of wells and providing them with pumps.

(b) Anti-mosquito operations in the vicinity,

(c) Daily examination of the drinking water and the milk supply,

(d) --Do-- of animals to be slaughtered and the meat,

(e) --Do-- milch-cows.

(f) Sanitary improvements in the camping sites, and

(g) conservancy arrangements.

3. The Sanitary or Health Officer concerned, assisted by the local subordinate staff, will be responsible for the efficiency of the Sanitary arrangements. I shall also, by personal inspections, see that arrangements are well-ordered.

4. The sum of Rs. 8,500 estimated for the Mysore Cit

includes the cost of special dust bins, of dress to subordinates and conservancy staff, of belts and badges to menial servants and of tools and plants. These items appear to me to be normal ly debitable to Municipal Funds.

5. The estimates for the Mysore District are based on the assumption that the special temporary staff will have to be maintained for a period of two months; seeing that Khedda operations usually commence weeks previous to the appointed date and that in the interval and after, a large number of people will be encamped in the area engaged in various duties.

6. In the Bangalore City, the places round about the -- Residency grounds will have to be kept in a Sanitary condition. All pits and hollows therein should be filled and the neighbourhood rendered mosquito-free. The route to be taken within City limits by the viceregal party should be kept clean and tidy. - The Honourary President requires no special grant from the -- Government for the purpose.

7. From previous records, it appears that no expenditure was incurred either from State Funds or from Sanitary Board. Funds in connection with the Viceroy's visit to places in the Kolar District. However, a sum of Rs. 500/- may be forwarded towards meeting unforeseen charges.

Yours Sincerely,

A. V. Rau

To

C. S. Balasundaram Iyer, Esq., B.A.,

Chief Secretary to Government,

Bangalore.

| 20. Minor Sanitary works in the approaches to important routes and for drain flushing etc., | | lumpsum. | Rs: 1,500/- |
| Total---------- | | | :8,234/- |

EXPLANATORY NOTE:-

The estimates are based on the following considerations.

(1) Mysore is the Capital of the State where His Excellency The Viceroy spends five days. Efficient arrangements will have to be made not only in the interests of sanitation but also to put on a clean attractive and pretty appearance.

(2) Since H.E.Lord Hardinge visited the city, it has extended on all sides and wages have risen to more than double. Therefore a larger staff on higher wages has been necessary.

(3) For easy identification of the men and for purposes of decency, dress, belts and badges to certain staff has been provided.

(4) As ugly looking stone or ordinary circular dust-bins are not desirable, special attractive box, dust-bins, something like what they have in the South Parade Bangalore, are propose for some of the important places such as the Government House and main thorough-fares.

(5) Temporary latrines for the comparatively large number of visitors, white-washing of "Bevarse" houses, minor sanitary works have also been provided for.

President,
City Municipal Council,
Mysore.

Dated 16th July 1919.
